Admin and Mentor

[14/09/2022 – Current]

German Language Classroom is an online platform that works for promoting German language learning by offering classes, learning resources, and mentorship to students in a structured and supportive environment. Here my regular activities:

- Conducted regular online classes for beginner and intermediate level German learners.
- Designed and managed daily class activities and learning materials.
- Created and maintained weekly class schedules to ensure smooth coordination.
- Managed content and communication on the group's Facebook page and group.
- Developed and posted engaging content related to the German language.
- Provided academic support and mentoring to group members to enhance their language skills.

QNA TEACHER

[29/09/2024 – 21/11/2024]

This platform helps students for academic purposes. I worked in the Engineering Admission section, specifically in Mathematics, where I solved problems and provided detailed explanations to help students prepare for university entrance exams.

- Provided detailed solutions to mathematics questions for engineering university admission candidates.
- Worked in an online Q&A environment to support student learning and problem-solving.
- Explained complex mathematical concepts in a clear and easy-to-understand manner.
- Responded to student queries promptly, ensuring continuous academic support.
- Contributed to a collaborative online team focused on student success and accuracy.

EDUCATION AND TRAINING

Electronics and Communication Engineering

Khulna University of Engineering & Technology [28/10/2024 – Current]

City: Khulna | Country: Bangladesh | Website: www.kuet.ac.bd | Field(s) of study: Engineering | Level in EQF: EQF level 6

Fundamentals of electronics, circuit analysis, digital electronics, signals and systems, communication theory, programming, microprocessors, semiconductor devices, and engineering mathematics. Developing problem-solving skills and practical knowledge for designing and analyzing electronic and communication systems.

LANGUAGE SKILLS

Mother tongue(s): Bangla

Other language(s):

English

LISTENING B2 READING B2 WRITING B2

SPOKEN PRODUCTION B2 SPOKEN INTERACTION C1

German

LISTENING B1 READING B1 WRITING B1

SPOKEN PRODUCTION A2 SPOKEN INTERACTION B1

Hindi

LISTENING C1 SPOKEN INTERACTION B2

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user

SKILLS

Arduino IDE, Arduino UNO (basic) / C programming / HTML (Basic level) / Microsoft Powerpoint / Microsoft Word / Microsoft Excel

HOBBIES AND INTERESTS

Reading, Learning, Mentoring

- I enjoy reading books on self-development, mindset, and philosophy. Some of my favorite books I have read include The Almanack of Naval Ravikant by Eric Jorgenson, Who Moved My Cheese? and Out of the Maze by Dr. Spencer Johnson, The Things You Can See Only When You Slow Down by Haemin Sunim, The One Minute Manager by Kenneth Blanchard and Spencer Johnson, and The Alchemist by Paulo Coelho.

- I am passionate about continuous learning, especially in areas like language, personal development, and technology. I actively seek new knowledge through books, online courses, and real-world experiences to improve my skills and broaden my perspective. I also enjoy exploring electronics, robotics projects, and emerging technologies through hands-on practice and self-guided study.

- I enjoy mentoring students, especially in language learning and academic problem-solving. I guide learners by simplifying complex topics, offering study strategies, and supporting their growth through encouragement and structured learning approaches.
